

2027 Chronic Illness Symposium Virtual Exhibitor Opportunities

Virtual Exhibitor levels and benefits:

The Center for Chronic Illness invites your company or organization to connect with a nationwide audience of patients, caregivers, and healthcare and mental health providers by exhibiting at our 2nd Annual Chronic Illness Symposium on April 16 & 17, 2027. This two-day event will offer meaningful networking and visibility opportunities for companies and organizations. With three exhibit hall windows on each conference day, having your own booth will provide an interactive experience for registrants to learn more about your products and services.

Corporate / Industry	\$1,500	• Virtual booth with customizable branding • Up to five booth representatives and conference registrations • Company logo and link on conference website and promotional emails • Inclusion in conference exhibitor directory and digital program • Featured spotlight in a dedicated social media post (LinkedIn, Facebook, and Instagram) • Lead capture capability • Social media mention on three platforms
Small Business	\$750	• Virtual booth with customizable branding • Up to three booth representatives and conference registrations • Company logo and link on conference website • Inclusion in conference exhibitor directory and digital program • Social media mention on one platform of your choosing
Nonprofit	\$250	• Virtual booth with customizable branding • Up to three booth representatives and conference registrations • Company logo and link on conference website • Inclusion in conference exhibitor directory and digital program • Social media mention on one platform of your choosing
